

**TITLE (Updated Dispute Resolution process for Engineering and Construction Contract Administration Services)**

Comments received by TCP			
Comment ID	Organization	Comment	Response
316	Individual	Dispute Quantum Shall be subject to verification by third party independent auditor as chosen By the Ministry. False, erroneous, or inflated costs attached to Dispute Quantum Shall incur sanctions and suspensions of bidding. The Ministry retains the right of counter claim for costs incurred	Thank you for the comment. The contract language already allows for these mechanisms. No changes needed to be made to the current language.
