

Temporary Pavement Markings

Special Provision No. 710F12

April 2023

Amendment to OPSS PROV 710, April 2023

710.07.04.04 Temporary Pavement Marking

Section 710.07.04.04 is amended by the addition of the following:

* Designer Fill-in - See CDED B710

Notes to Designer

This special provision shall specify which temporary pavement marking materials shall be used. There are 9 different items, included in OPSS 710, that can be specified, based on the guidance in CDED B710. For orange temporary pavement markings, the performance group (Group I or II) shall be specified. Section 710.07.04.04, Temporary Pavement Marking should be modified, using this fill-in SSP, to specify all applicable temporary pavement marking materials that should be used.
