

SUMMARY OF CRITICAL PATH SCHEDULE REVISIONS

Contract No.: \_\_\_\_\_ Highway: \_\_\_\_\_ Date: \_\_\_\_\_ Schedule Version: \_\_\_\_\_

Location: \_\_\_\_\_

This summary identifies updates made to the Critical Path schedule from \_\_\_\_ (Insert Date) \_\_\_\_ (previous submission), to \_\_\_\_ (Insert Date) \_\_\_\_.

\*\* In accordance with GC Section 7.01.07.05, Updated Critical Path Schedule Submissions, the Contractor shall clearly provide all additions, deletions, and revisions made to updated Critical Path schedules. This form does not replace the review of Critical Path schedule submissions. Any information provided on this form does not replace any contractual requirements or notices required by the Contract whatsoever.

\*\* The tables below shall be extended to identify any and all changes or logic adjustments made to the Critical Path schedule submission version listed above.

**SCHEDULE MILESTONES AND CONSTRAINTS**

Insert the milestones and/or constraints dates identified from either Contract Document requirements, or included when building the Critical Path schedule:

Milestones / Constraint Description	Milestone / Constraint Date
